**Anti-requisite(s):** The former Geography 280a/b.

**Prerequisite(s):** *Prerequisite(s): 1.0 course from Geography 1100, 1300A/B, 1400F/G, 1500F/G, 2131A/B, 2153A/B (taken after September 2012), or registration in a module in Science or in Engineering.*

*“Unless you have either the prerequisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.”*

**Methods of Evaluation:**

- Attendance/Participation - **5%**
- Lab Assignments (8 labs in total) - **35%**
- Midterm Exam - **20%**
  - (1 hour 50 min., Tuesday February 14<sup>th</sup>, 2:30-4:20pm, SSC 2024)
- Lab Exam - **10%**
  - (2 hours, Held during regular lab session on April 6<sup>th</sup>)
- Final Exam - **30%**
  - (3 hours, Time and place TBA)

### 1. Attendance:

Attendance is required for all lectures and lab sessions. Attendance will be taken at all lectures and laboratories.

### 2. Labs:

You should take advantage of the lab hours by staying in the lab session since the TAs will be there to help. Because of space and equipment constraints it will be difficult to arrange an alternative lab if you miss your regular lab. Assignments will be given and collected during the lab hours and marked by the TAs. You should observe all of the due dates for assignments.

**Assignments are due at the BEGINNING OF THE LAB PERIOD.**

**The penalty of a late assignment is 5% per day.**

Missed assignments will receive a mark of zero. In case of extreme circumstances, the instructor may allow extension provided that the student submits proper documentation. If you need accommodation of more than 10% of the total grade, you must obtain permission from the Dean's office and provide sufficient documentation. See Policy here:

[https://studentservices.uwo.ca/secure/medical\\_accommodations\\_link\\_for\\_OOR.pdf](https://studentservices.uwo.ca/secure/medical_accommodations_link_for_OOR.pdf)

**\*\*\*All labs should be completed individually.** For this course, the labs are not group projects. If two students submit identical or near identical answers for an assignment or parts of the assignment both students will receive a mark of zero for the entire assignment. The statement "we have worked as a group and therefore submitted identical answers" cannot be used as an excuse. According to the University's and the department's regulations and procedures, we have to report any plagiarism to the departmental chair, then to the Dean's office. This may be reflected on your transcripts.

### 3. Exams:

*\*\*\*No electronic devices will be allowed during tests and examinations except for non-programmable calculators\*\*\**

If you miss the mid-term exam under extreme circumstances, you must obtain permission from the Dean's office and provide sufficient documentation. When we receive the permission from the Dean's office, your final exam will account for 50%. If you miss the midterm with no good reason, you will receive a mark of 0%. Make-up exams will be given for the final exam only under extreme circumstances. If you consider that you have grounds to write the final exam on an alternate date, you must follow the procedure established by the Dean's Office and complete the appropriate forms. You must obtain permission from the Dean's office and provide sufficient documentation. In addition, you must inform the instructor at least 2 days in advance before the final exam.

Students with special accommodation will write make-up tests and examinations administered by the department on Fridays during respective periods of fall and winter terms. To prevent prior disclosure, the format and contents of make-ups may differ substantially from the scheduled test or examination.

#### 4. What to do if you fall sick:

Students seeking academic accommodation on medical grounds for any missed tests, exams, participation components and/or assignments worth 10% or more of their final grade must apply to the Academic Counselling office of their home Faculty and provide documentation. Academic accommodation cannot be granted by the instructor or department.
